**BRIGHTSTAR EUROPE APPOINTED
AS AN AUTHORIZED MOTOROLA DISTRIBUTOR FOR EUROPE**

Basingstoke – June 5, 2007 – Brightstar Europe, a joint venture between Tech Data Corporation (NASDAQ: TECD) and Brightstar Corp., today announced a distribution agreement with Motorola, Inc. (NYSE: MOT), a global leader in mobile communications and seamless mobility solutions.

With this announcement, Brightstar Europe becomes an authorized distributor for the European region to market, sell and support Motorola mobile handsets.

Allen Burnes, Corporate Vice President and General Manager, Motorola Mobile Devices Europe, Middle East, Africa and India, said “We are delighted to welcome Brightstar Europe aligned with Tech Data to our network, and we look forward to working together to bring our latest portfolio of products to consumers across Europe.”

Marcelo Claire, CEO and President of Brightstar Corp., said “We began providing added-value distribution services to Motorola in 1998. With this agreement, we now support Motorola in over 45 countries. I am confident that with Motorola’s exciting new product portfolio, Brightstar’s extensive experience in delivering the Motorola brand worldwide and Tech Data’s leading pan-European distribution capabilities, Brightstar Europe has the winning formula to support Motorola successfully throughout the region.”

“Brightstar Europe will provide Motorola with an opportunity to diversify and grow its business through Tech Data’s extensive IT reseller base and deliver enhanced service and support to mobility customers across Europe,” added Nestor Cano, President of Tech Data Europe.

In February, Brightstar Corp. and Tech Data Corporation announced the establishment of Brightstar Europe, converging mobile and IT via two global leaders in distribution: Tech Data, a leading distributor of IT products with more than 90,000 customers in over 100 countries, and Brightstar Corp., the world’s leading wireless distribution and supply chain solutions company.

The joint venture creates a truly pan-European wireless distribution organization with operations in 16 countries and capability to ship products within 24 hours of order anywhere in Europe. Brightstar Europe is headquartered in the United Kingdom with access to 10 logistics centers and 16 sales offices across Europe.
